

COVER LETTER

To: HR

Dear HR,

In response to your posting, I am attaching my resume for your review.

I have studied the role and feel confident that I am in capacity to perform the job. I am great with market research, Full Stack Development, Project/Product Management, IT, Networking, AI, Microsoft Office, Adobe Suite, Windows/Linux/Mac, IT and I always kept my mindset in the perspective of bettering the business. I have experience working with a vast portfolio of clients such as entertainment companies like Pluto TV, Netflix India, & Discovery Channel to retailers like Marshalls, Burlington, Ross etc. I have always taken full ownership of execution and have established partnerships with clients and forwarders.

My pertinent strengths are:

- Over six years of experience in Project Management
- Meeting Deadlines, Creating Milestones, Issue Tracking, Conflict Resolve, Budgeting.
- Hands on experience with Product Management & Client Relations
- Strong knowledge Web development, architectural design & implementation, backend framework
- SEO, social media marketing
- Over eight years of experience in Media & Tech working with Animation, Audio/Video Production, Content Creation, & event planning
- Understanding of licensing and compliance
- Operations/logistics, custom entry, intl trade laws
- Excellent relationships with retailer's
- Understanding PLM management (Air table & Jira)/ coordinating with product managers.
- Understanding of sales/purchase contracts
- Experience with flow charts explain When – What – Who and step by step timeline
- Experience with product launch
- Enrolled in Agile & SCRUM Project management certification (ASEC)
- Full Stack Development Certificate from Rutgers University
- Bachelor's Degree in Business Administration from Suny Cortland University

Through my experiences of working, I have played several roles. Each one of these roles have allowed me to build a strong foundation of interpersonal skills and have given me the opportunity to understand the business.

With dedicated work ethics and a determination to succeed, I am confident that I can make significant contributions to your organization.

I eagerly look forward to hearing from you.

Sincerely,
Manin Gauba
